**PREMIUM GRADE - PERFORMANCE ADVANTAGES**

- Fine crepe paper backing sets the standard, ensuring overall sharp paint lines
- High temperature resistance; UV resistant up to 3 days
- Clean removal; stain and transfer resistant
- Smooth to touch – easy to work with

**OM**

**PREMIUM GRADE - PERFORMANCE ADVANTAGES**

All the performance advantages of PG, plus...
- Excellent adhesion to backing when layered
- Smooth and controlled unwind; exceptional cornering
- Works with both solvent and waterborne paints; resists paint flaking
- Superior for wet sanding applications

**GT**

**INDUSTRIAL GRADE - PERFORMANCE ADVANTAGES**

- Flexible backing for excellent conformability and ease of application
- Specialized adhesive platform that ensures clean, one-piece, removal
- Excellent wet sanding properties
- Low profile light green backing for superior visibility of masked areas
- Heightened bonding to backing for increased shingling performance

**AM**

**MEDIUM GRADE - PERFORMANCE ADVANTAGES**

- Better bonding to itself for improved painting process performance
- Works with both solvent and waterborne paints
- UV resistant up to 3 days
- Rubber-based adhesive provides secure adhesion to painted surfaces, bare metals and plastics, yet removes cleanly without adhesive residue or surface staining

**FM35**

**SPECIALTY - PERFORMANCE ADVANTAGES**

- Offers a high degree of conformability, is waterproof, and solvent-resistant
- Masking color separations on plastic (TPO and RIM) automotive fascia, trim and finished metals
- For use in high temp OEM bake cycles, aircraft paint operations, clean room paint operations

**TM27**

**SPECIALTY - PERFORMANCE ADVANTAGES**

- Specifically designed for flush mount and inset molding around windshields and other automotive glass
- Perforated for easy cornering, and eliminates the need for dangerous knives or razor blades
- Ensures clean removal from finished paint work without slivering, saving time and money

**888-898-7834 | itape.com**
American® brand products have long been trusted by professionals for their unsurpassed quality and performance. We do not rely only on our history or reputation, however. Our mission is to build upon this proven performance and exceed the expectations of our customers! That is why we focused on developing a full line of clean removal products that are compatible with a wide range of temperatures, the latest coatings and waterborne or solvent paints so you can optimize performance and minimize cost.
