REINFORCED CONSTRUCTION PAPER

For the Protection of Floors, Stairs, Countertops and More!

FEATURES & BENEFITS

- Laminated heavy duty kraft paper reinforced with filaments for superior performance
- Skid, slip and scratch resistant
- Pliable protection for floors, countertop, stairs, and other surfaces during remodeling
- Non-bleeding, non-staining
- Outstanding tear resistance
- Less slick than plastic and water-resistant – holds up to heavy cart traffic in hospitals
- Works in conjunction with other protective products to minimize surface scratches and rework
- Vapor permeable but moisture resistant, helping to prevent liquids soaking through and causing damage
