HANG TITE™

AN INNOVATION IN DOUBLE-SIDED TAPE FOR ABATEMENT

Hang Tite double-sided tape is specifically designed to be a one-stop tape for your poly draping applications. Through the differential adhesive system the open side offers a 14-day clean release from your drywall and trim, while the liner side offers a high tack acrylic adhesive designed to adhere to poly draping. This tape gets both jobs done in one strip!

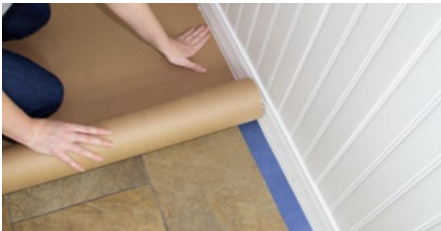

**MORE TAPE FOR A
COMPETITIVE PRICE!**

ROLL SIZE 2 in x 30 yds
