USA 2024-SB TTH

UNIFORM SEMI-AUTOMATIC CASE SEALER WITH DUAL TOP TAPE HEADS

Interpack's USA Series Case Sealers are adjustable, operator fed machines that process same sized RSC style cases.

Every Interpack™ Case Sealer comes with an HSD 2000-ET II tape head with adaptive technology to provide optimal tape application and wipe down to each of the three taped panels of the case.

When you compare features, benefits and value, Interpack™ Case Sealers are the right choice for operators, plant engineers, maintenance and purchasing.

FEATURES & BENEFITS

- Features twin upper tape heads for major flap gap cases
- Apply double strips of tape to the top flaps for added security
- Horizontally adjustable upper single or double tape heads
- Apply tape off-center to full overlap cases (FOL) or top tuck

These machines are engineered to provide:

- Economical cost
- Compact footprint to conserve valuable floor space
- Ergonomic, user-friendly operation and case size set up
