

EXLFILM® SHRINK FILMS

EXLFILM SHRINK FILMS QUALIFY FOR THE HOW2RECYCLE STORE DROP-OFF LABEL

All Exlfilm® and Exlfilmplus® Shrink Films are pre-approved for the Store Drop-off label through the How2Recycle program. Exlfilm shrink case labels will display the following approvals.

APPLY FOR YOUR HOW2RECYCLE® LABEL

Starting from a good place - ALL Exlfilm shrink films have been pre-approved for Store Drop-off recycling with How2Recycle.

End users wrapping their products in Exlfilm Shrink Film should contact How2Recycle to apply for the How2Recycle label. How2Recycle will use the Exlfilm qualified films to approve the correct label for the end user to use on their packaging.

The approved label will be placed on the primary packaging directing consumers how to recycle Exlfilm at thousands of local store drop-offs.
