**Performance Series** Featuring Tapes You Can Rely On

---

888-898-7834 | itape.com
**PREMIUM SOLVENT RESISTANCY**
- Enhanced backing to ensure superior resistance to solvents
- Superior adhesion to a variety of surfaces
- Resists paint-bleed through

**HIGH TEMPERATURE**
- Fine structured crepe backing sets the standard for sharp paint lines
- Resists paint-bleed through
- Specifically designed adhesive formula to ensure superior adhesion to a variety of surfaces
- High temperature resistances with 3-day UV properties

**UV RESISTANT**
- Exceptional conformability
- Excellent adhesion to backing to provide a secure bond and to prevent lifting and overspray
- Removes cleanly and provides a clean crisp paint line
- 3-day UV resistance

**HIGH CONFORMABILITY**
- Excellent conformability to a variety of surfaces
- Enhanced vibrant aqua backing for high visibility of masked surfaces
- Resists paint flaking and wet sanding

**TRANSPARENT, ONE-PIECE CLEAN REMOVAL**
- Transparent backing to ensure all critical areas are protected
- Strong backing to ensure one-piece clean removal
- Specially formulated to provide a secure bond and to prevent lifting and overspray
- Easy and consistent unwinds to enhance the application process

**HIGH TACK**
- Smooth unwinds for easy of application
- Great holding power with clean removal from a variety of surfaces

**VALUE**
- All-Purpose product for non-critical applications
