EXTREME WEATHER DUCTape™

Extreme Weather DUCTape™ is a polyethylene coated cloth tape with an aggressive, non-corrosive thermosetting rubber pressure-sensitive adhesive. It has good high and low temperature resistance, a water/salt water resistant finish and good abrasion resistance. It can be written on, and is conformable to irregular shapes.

FEATURES & BENEFITS

- Suitable for temperatures as low as -58 to $+230^{\circ}\text{F}$ (-50 to $+110^{\circ}\text{C}$)
- Water resistant finish (including salt water)
- Excellent conformability to irregularly shaped objects
