

40 YEAR LIMITED WARRANTY

NOVASEAL® AP 40 YEAR LIMITED WARRANTY (Continued)

The above warranty does not cover leaks or damage caused by any penetrations (including penetrations by fasteners), or damage caused by NovaSeal® AP during installation or due to existence of other materials, inadequate or faulty structural design, structural defects, building alterations, cracks in the structural base exceeding 1/16 inch in width at any point. The foregoing warranty shall be void and of no effect whatsoever in the event NovaSeal® AP shall have been exposed to harmful chemicals, abused by machinery, animals, equipment or any persons, or exposed to excessive pressures or sources, or, in the event of defects, shall have been caused by abnormal weather conditions, acts of God, falling objects, explosions, fire, riots, civil commotion, external forces, faulty or inadequate or improper installation, acts of war, radiation, harmful fumes or foreign substances in the atmosphere, floods, accidents, or any circumstances or cause other than normal wear during the conduct of business. The above warranty does not cover any costs or expenses associated with the removal or replacement of applied roofing materials, plywood, or other substrates or materials in connection with testing, repair, removal, or replacement of the NovaSeal® AP. The Customer must give Intertape Polymer Group written notice of any defects within 30 days from the date that the defect was discovered. Such notice shall be sent to an authorized representative of Intertape Polymer Group. Intertape Polymer Group shall, at its sole option, and as the Customer's sole remedy, either repair, refund the purchase price of, or provide replacement for, that portion of NovaSeal® AP, which has been proven to be defective within the written warranty conditions. The Customer shall pay all handling and transport costs. Any such replacement or refund shall constitute the limit of Intertape Polymer Group's liability or obligation for any defective material. This warranty shall become VOID if anyone not expressly authorized by Intertape Polymer Group performs any repairs or alterations within the period of this warranty or if Customer fails to give notice of defect within the period set out above.

THIS WARRANTY AND THE OBLIGATION OF INTERTAPE POLYMER GROUP HEREUNDER IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR (WITHOUT LIMITATION) AS TO THE FITNESS FOR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, A CUSTOM OR USAGE OF TRADE AND INTERTAPE POLYMER GROUP SHALL NOT BE LIABLE FOR ANY LOSS OR DAMAGE, DIRECTLY OR INDIRECTLY, ARISING FROM THE USE OF NOVASEAL® AP OR FOR CONSEQUENTIAL DAMAGES. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF.

- ✓ UL 2218 (Hail Resistance Rating)

All materials are to be installed based on nationally approved roofing practices and installation methods. This material is not a replacement for exterior roofing materials. Only use as directed for roofing underlayment. Great care and safety must be taken when using this product, utilizing OSHA approved and certified roofing fall restraints. Only use this material in safe weather conditions, otherwise serious injury up to and including death, may result. Please see our website www.IPGbuildingconstruction.com for complete installation instructions; these instructions are also outlined on each roll of material, or ask your local dealer. If installed using staples, material must be covered in 24 hours. Do not use staple installations with pre-loaded tiles or any tile roof. For a complete IPG product line of Building and Construction information, including all code listings, warranties, MSDS sheets and installation please review our website or local dealers for the latest information, since information may have changed.

40 YEAR LIMITED WARRANTY

NOVASEAL® AP 40 YEAR LIMITED WARRANTY

To the extent, in the manner and subject to the provisions hereinafter set forth, Intertape Polymer Corp. (for sales in U.S.A.) and Intertape Polymer Inc. (for sales in Canada) (together, "Intertape Polymer Group") warrants to the Customer named below that NovaSeal® AP synthetic roof underlayment shall:

- 1) at time of delivery, be in accordance with the published specifications, i.e. meet the requirements of ICC-ES Report ESR-2185;
- 2) be free from material defects in components and workmanship which could affect performance;
- 3) for a forty-year period commencing on the Original Installation Date stated below, will retain its ability to shed water, except as noted below, if installed at the subject project strictly, and in a professional way, in accordance with Intertape Polymer Group's installation instructions.

The above warranty does not apply if the NovaSeal® AP has been installed and left uncovered and without roof cladding for more than six (6) months or, if any part of the product is exposed to natural or artificial ultra-violet (UV) light after roof cladding installation. The above warranty does not cover leaks or damage caused by unusually severe rainy weather conditions and water ingress due to unusually severe natural weather conditions prior to the installation of the roof cladding.
