STAINLESS STEEL CASE SEALERS

USA Series Food Grade

USA 2024-SB SS *STAINLESS STEEL SIDE BELT DRIVE*

- Constructed from food grade 302 or 304 stainless steel
- NEMA 4 electrics
- HSD™ 2000-ET II stainless tape heads standard
- Detergent wash down at low pressure
- Side belt drive processes a wider range of cases
- Side belts capture the case between two moving belts, reducing force on the case
- Floating upper assembly to process compressible overfills
- Offset taping heads permit processing cases as low as 2" tall
- Single locking handle secures the upper assembly to both columns
- Twin 1/3 HP gear motors process heavier cases 24/7

Shown with optional casters and pack tables.

USC 2020-SB SS *STAINLESS STEEL SIDE BELT DRIVE*

- Compact design conserves valuable floor space
- Constructed from food grade 302 or 304 stainless steel
- NEMA 4 electrics
- HSD™ 2000-ET II stainless tape heads standard
- Detergent wash down at low pressure
- 3mm steel formed and welded construction
- 2" side belt drives with belt over roller technology
- 1/4 HP gearmotors will process up to 65 lb cases
- Dual column for maximum processing stability
- Threaded rod upper head adjustment
- Reversible controls for left or right handed operation
- Tilt up upper tape head for easy roll replacement
