DIM WEIGHT RULES ARE CHANGING. *ARE YOU READY?*

Major parcel delivery companies are changing how they calculate package dimensions – a shift that could mean a nearly **20% increase**, potentially pushing your shippers into a higher DIM weight tier. Read 3PL Center's [*FedEx DIM Weight Rule Change Starts August 18.*](#)

OPTIMIZE NOW!

Reduce your DIMs using IPG's right-sizing and down-sizing e-commerce automation.
