

# BIG PAYBACK! FREE UP CASH FLOW.

## TAKE ADVANTAGE OF 2025 BONUS DEPRECIATION TAX INCENTIVES!

### SECTIONS 168 & 179 QUALIFIED EQUIPMENT INCLUDES:

- Automated Packaging Lines
- Robotic Arms & Conveyor Systems
- Labeling & Coding Machines
- Control Software & Inventory Systems

### *Invest in equipment now & save big!*

At IPG, investing in packaging automation doesn't just enhance productivity - it delivers serious tax advantages. With bonus depreciation, eligible assets can be **100% expensed in the first year** – freeing up cash flow for innovation, expansion, or additional upgrades.

*New equipment qualifies when purchased from unrelated parties and placed in service during the tax year.*

This equipment may qualify for 100% bonus depreciation under current tax law. Please consult your tax advisor to determine eligibility based on your specific situation.
