

525

PAPER PRESSURE-SENSITIVE CARTON SEALING TAPE

IPG®'s 525 utility grade paper flatback tape features an aggressive pressure-sensitive hot melt adhesive specifically designed to bite into and adhere to a variety of carton types. This tape features an easy and consistent unwind and is hand-tearable. 525 is available in hand-and machine-length rolls and can be used on all of IPG's carton sealing tape machines.

MADE WITH 44% RENEWABLE RAW MATERIALS!
