

INFLATABLE SYSTEMS

# AIRSPACE 24" BOD WINDER

## USER FRIENDLY, SMALL FOOTPRINT, RELIABLE

The IPG® AirSpace Bubble-on-Demand Winder for coiling 24-inch-wide inflatable protective packaging is easy to use and adaptable to any packing environment. Single button quick-start and integration accessories provide end-users a cleaner, more organized pack area with improved ergonomics and safer use day-to-day.

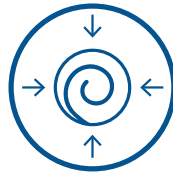

## FEATURES & BENEFITS

Easy-to-use controls means less operator training required

Casters are a standard feature for easy transportation

Tight bubble roll helps make moving bundles less cumbersome

One step mandrel loading

Storage shelf for additional uninflated rolls

Automatic roll completion technology creates consistent roll sizes
