

**SuperFLEX**  
brand performance stretch wrap

**HWI**

## HIGH PERFORMANCE SEMI-STIFF HAND-APPLIED STRETCH WRAP

HWI was developed to achieve the characteristics of higher cost, thinner and stiffer films. Premium performance without the premium price.

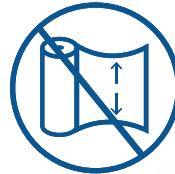

### FEATURES & BENEFITS

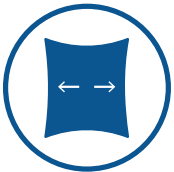

Improved load retention  
over traditional  
handwrap products

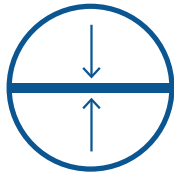

Good elastic film  
recovery even if load  
settles or shrinks

Reduced film "neckdown" -  
resists reducing in width  
as it is applied

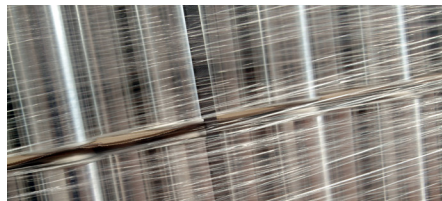

Higher stretch application  
force tightens loads with  
minimal stretching

Available down to 47 gauge  
to minimize roll weights  
and film cost

Elevated tear and  
puncture strength
