## 3-WAY REINFORCED WATER-ACTIVATED CARTON SEALING TAPE

Natural kraft, 3-way reinforced, economy grade water-activated carton sealing tape, manufactured with a chemically grafted copolymer adhesive. Venom<sup>®</sup> has fiberglass reinforcement in the machine direction and polymer reinforcement in the cross direction. Used for two strip carton sealing (top and bottom), recycled cartons and non-utilized loads.

### FEATURES & BENEFITS

- **Secure bond** - testing proves our tape bonds faster than any competitor's of like construction.
- **All weather use** - not affected by extreme hot or cold temperatures
- **Superior strength** - fiberglass yarns seal your cartons with an extra measure of strength
- **Takes on the dust** - our starch based adhesive absorbs dust and bonds securely to the carton. Sealing the seam also acts as a dust barrier.
- **Pilferage proof** - fiber will be irreparably damaged upon tape removal
