TECHNICAL DATA SHEET

DESCRIPTION

High-performance sandblasting tape featuring a durable natural rubber backing and a high tack acrylic adhesive system. The acrylic adhesive construction provides excellent flexibility, conformability, and resistance to abrasive media, allowing the tape to perform reliably on irregular surfaces and contours. Designed to deliver clean edges, secure adhesion, and dependable protection during light abrasive blasting operations.

PRODUCT APPLICATION

Used for light abrasive blasting on natural stone, granite, marble, and similar substrates. Ideal for monument engraving, memorial production, decorative stone work, and surface marking applications requiring precise blasting definition and clean edge performance.

STANDARD SIZES

15" x 10 yds
