VENOM[®] ECONOMY GRADE

3-WAY REINFORCED WATER-ACTIVATED TAPE

Natural kraft, 3-way reinforced, economy grade water-activated carton sealing tape, manufactured with a chemically grafted copolymer adhesive. Venom[®] has fiberglass reinforcement in the machine direction and polyester reinforcement in the cross direction. Used for two strip carton sealing (top and bottom), recycled cartons and non-unitized loads. Recommended for use on light weight to average cartons up to 20 pounds.

FEATURES & BENEFITS

- **Secure Bond** – testing proves our tape bonds faster than any competitor's of like construction.
- **All Weather Use** – not affected by extreme hot or cold temperatures.
- **Superior Strength** – fiberglass yarns seal your cartons with an extra measure of strength.
- **Takes on the Dust** – our starch based adhesive absorbs dust and bonds securely to the carton. Sealing the seam also acts as a dust barrier.
- **Environmentally Friendly** – reinforced tapes are considered “recycling-friendly” as they generally do not interfere with the corrugated box recycling process.
- **Pilferage Proof** – fiber will be irreparably damaged upon tape removal.

TECHNICAL DATA

Widths	Paper Weight	Colors	Basis Reinforcement	Rolls Per Case	Cases/Pallet
70mm	20lbs	Natural	MD - (1-1-1-1) 110 fiberglass on 5/8" centers CD - (1-1-1) polyester on 1 1/4" centers	70mm - 375' - 8 Pack	84
